PROFESSIONAL SUMMARY

Passionate and motivated MERN Stack Developer with a strong foundation in building modern, responsive, and scalable web applications. Experienced in developing full-stack projects using MongoDB, Express.js, React.js, and Node.js. Skilled at creating REST APIs, authentication systems, real-time chat applications, and AI-powered chatbot interfaces. Seeking an internship or entry-level software engineering role where I can contribute, learn from experienced developers, and continue growing as a full-stack engineer.

TECHNICAL SKILLS

Languages

- * JavaScript (ES6+)
- * HTML5
- * CSS3

Frontend

- * React.js
- * Tailwind CSS
- * Bootstrap
- * Responsive Web Design

Backend

- * Node.js
- * Express.js
- * REST API Development

Database

- * MongoDB
- * Mongoose

Authentication

- * Clerk Authentication
- * JWT
- * Protected Routes

Tools & Platforms

- * Git
- * GitHub
- * Postman
- * Railway
- * Render
- * Vercel
- * VS Code

Concepts

- * CRUD Operations
- * MVC Architecture
- * API Integration
- * Authentication & Authorization
- * State Management
- * Responsive Design

PROJECTS

Full-Stack E-Commerce Website

Technologies: React.js, Node.js, Express.js, MongoDB

- * Developed a complete e-commerce platform with authentication.
- * Implemented product management and category filtering.
- * Built shopping cart and checkout functionality.
- * Designed responsive UI for desktop and mobile devices.
- * Created secure backend APIs for products and users.

Nexora AI Chatbot

Technologies: React.js, Express.js, Node.js

- * Built an AI chatbot with a modern conversational interface.
- * Implemented real-time messaging experience.
- * Added message copy functionality and markdown support.
- * Designed a clean and responsive chat UI.

- * Focused on user experience and performance.

Real-Time Chat Application

Technologies: MERN Stack

- * Developed a WhatsApp-inspired real-time chat application.
- * Built user authentication and secure messaging.
- * Created modern chat interface with responsive layout.
- * Designed scalable backend architecture.
- * Optimized frontend for smooth user interactions.

Personal Portfolio Website

Technologies: React.js, Tailwind CSS

- * Designed and developed a responsive developer portfolio.
- * Showcases projects, skills, and contact information.
- * Optimized for performance and accessibility.
- * Built with a modern UI/UX approach.

EDUCATION

Bachelor of Science in Computer Science

University of Swabi

Graduated: 2026

SOFT SKILLS

- * Problem Solving
- * Team Collaboration
- * Communication
- * Quick Learning
- * Adaptability
- * Time Management
- * Attention to Detail

LANGUAGES

* English (Professional Working Proficiency)

* Urdu (Native)

CAREER OBJECTIVE

To secure an internship or entry-level software engineering position where I can apply my MERN stack development skills, contribute to impactful projects, and continuously improve through real-world experience while delivering high-quality software solutions.
